

Southwick with Portslade Youth NEWSLETTER July 2010

We come again to the end of a busy academic year, we are sure you are all looking forward to a much needed Summer break. Lets hope this weather continues and you all have a safe and happy time. We are sure you are all aware of the Pope's visit to England and Scotland in September, for most of us it will be following the TV coverage but we hope one or two of you will be fortunate enough to attend one of the events. All those of you that will be going into year 10 in September keep watching the Parish newsletter for information about the Confirmation programme, this usually starts at the beginning of November. Maggie and I will be getting together over the Summer to plan Youth events for new school year, so keep checking for updates. The next event for SPY will be the parish fete, where we will again be manning the games stalls. Do come along and help, we always have great fun at this parish event. Enjoy the Summer holidays!
